The image shows a dark-themed web page with a grid layout. Overlaid on the page are two code snippets. The left snippet is HTML code for a portfolio item, and the right snippet is CSS code for a modal box. The HTML code includes a header with 'Logo Design' and 'Branding', a main image, and a 'Read More' button. The CSS code defines the styling for the modal box, including its position, size, and the styling of its arrows.
